Last week I was at the bank. Suddenly, a man dressed in black came in. He took out a/his gun and shouted, “Give me the money!”, to the bank teller. He took the money and ran out of the bank. Luckily, there was a banana skin on the ground outside the bank. When the man stepped on it, he fell down and he couldn’t move. So, the security guard grabbed him from his hand. After a while, the police came and took the man to the police station.

My favourite holiday was last year. I went to Jamaica with my family. We went by plane in July. The trip was very long and hard. The seat was very small and uncomfortable.

We stayed in a hotel in Montego Bay. The hotel was very big and beautiful. There were three swimming-pools, big gardens, a disco, a gym and five restaurants. We met a lot of Spanish people at the hotel. It was very hot. We got up early in the morning because we went to an excursion. We visited a lot of beaches. The beaches were very nice in Jamaica. We went to a small safari. We saw birds, crocodiles...etc. In the afternoon we went shopping. I bought t-shirts, pictures, coffee

and figures.

We had dinner in the hotel. The food was very good. There was pizza, meat, fish, fruit, typical Jamaica's food, ice-cream, etc... We went to bed very late. We stayed in Jamaica for seven days. We came back to Saudi Arabia by plane. We were sleeping the entire trip. I loved Jamaica.

Dear Salem,

Last summer, my dad and I have made our annual expedition to Asir National Park, for a week, so that we can go camping with my brothers. When we camp there are three procedures that we follow:

we eat when we are hungry, we sleep when we are tired, and we must be at the campground pool at 11:00 a.m., so we can be in our traditional location. We are riding our bikes and cars around the campground, enjoying nature. This is the shortest week out of the entire year, but by far the most enjoyable week. The trip on the way to Asir National Park is high spirited, while the trip on the way back is heartbreaking. Also the jokes of the week are funny, plus preserving the male graver spirit is great. I can safely say that the week goes by the fastest, but sadly takes the longest to get here. We are in a utopia for a single week and maybe one day our simple camping style will become the world's way of living, it would just make the world a better place.

I wish you will be with us next year
