Dear Reema

It was my first day back at school today. We've got a new head teacher. Her name's Mrs. Henderson. She's very nice. She wants me to talk to the whole school about my visit to Saudi, next week at Assembly. But talking to the whole school, 200 girls and all the teachers..... I'm really scared. I want to wear your present. You know the beautiful scarf. What do you think? Please say hello to your family for me.

Love

Read the following letter and answer the questions:-

The European Calendar is different from the Islamic Calendar. Like the Islamic Calendar, it has 12 months in the year and they have different numbers of days in them. But there are some differences; Islamic Calendar's year is shorter. It is 354 days long. European Calendar is longer. It is usually 365 days. The first day of the Islamic Calendar $-1^{\rm st}$ of Muharram- is on a different day every year. In 2011 it was on $26^{\rm th}$ November. In 2012 it was on $14^{\rm th}$ November.

Read the following letter and answer the questions:-

Vikings were people from Scandinavia. They were great travellers. After the year 800 they sailed all over the world in their boats. They lived in Britain, the north of France and Russia. They discovered America. They were brave sailors and soldiers. They believed that the world is flat. They didn't know that it is round! They believed that their boats can fall over the edge of the world on a foggy day-but they weren't scared!
